Thank you for ordering the SUNNY unit! Your new SUNNY unit is sure to meet your expectations with top-quality performance!
==========

Model line: MUDWING
Unit: CLAY
Height: Five scavengers tall
Weight: We honestly have no idea; every scale we try to weight them with breaks

Your CLAY unit comes with:
-(1) copy of *5000 Meals to Fill a MudWing*

Unpacking and rebooting

The CLAY unit is easy to get along with and is not prone to violence. It is hard to go wrong with unpacking, so we have instead provided a list of methods to NOT use to unpack and reboot your CLAY unit.

1. DO NOT threaten to harm the other units of the DRAGONETS OF DESTINY set unless your CLAY unit comes out. It will make him not like you.

2. DO NOT make a KESTREL unit call for him. The CLAY unit is intimidated by the KESTREL unit, and would rather not face her.

3. DO NOT lure him out with food, only to take it away from him before he can eat it. It is both cruel and a sure-fire way to get your CLAY unit to dislike you.

For the safety of you and your new SUNNY unit, we have included a list of which units the SUNNY unit gets along best with, and a list of units that the SUNNY unit must never been alone in the same room with.

The DRAGONETS OF DESTINY set
The CLAY unit sees the other units in the DRAGONETS OF DESTINY set as his younger siblings, and will always watch out for them. Even though he sees them as his siblings, the GLORY unit and TSUNAMI unit are both candidates for a romantic partner with proper guidance. Keep in mind that the GLORY unit will not have a chance with you CLAY unit if a DEATHBRINGER unit is in the area.

PERIL unit
The CLAY unit has a natural desire to make things better. As the PERIL unit is very troubled, the CLAY unit is naturally drawn to her and wishes to help her. Over time, your CLAY unit will most likely develop romantic feelings for the PERIL unit.

Hygiene and health
The CLAY unit must be kept on a strict diet, since he has a habit of over-eating. He is also apt to roll around in the mud, so daily bathing is also recommended. Take him out for jogs every day to help him watch his weight. A TSUNAMI unit will be more than willing to help him stay in shape.

FAQ

Q. I think my CLAY unit is damaged! He keeps on limping around. Is this normal?

A. Yes, the CLAY unit is manufactured with a limp. No need to worry!

Q. I'm keeping my CLAY unit well-exercized, but he's not losing any weight! What's going on?

A. Most likely, your CLAY unit has a secret stash of food that he snacks on while no one's looking. In order to break this habit, find his stash (it most likely won't be well-hidden), and lace all of it with smokeberry juice. After your CLAY unit has eaten, he will shortly begin to hallucinate. Dress yourself up as a Grim Reaper and warn him that unless he stops his snacking ways. Your CLAY unit may become intimidated, so make sure to give him a hug afterward (but still in the Grim Reaper costume; you don't want to be too soft on him).

I ordered my CLAY unit, but all the meat I offer him he won't take? Is there something wrong with it? Or is it a weird function?

My PERIL unit has been hiding in my basement (that thankfully has a stone floor) ever sense my CLAY unit has arrived.

The TURTLE unit I own is avoiding my CLAY unit, and I think that might or might not be why my PERIL unit is in hiding...

My CLAY unit seems to be fighting over a TV remote with my STARFLIGHT unit... they both want it for seemingly different reasons. My STARFLIGHT unit has tried to "disect" the remote several times before and my CLAY unit just likes TV. And now m SUNNY unit is trying to talk to my TSUNAMI and GLORY units but they seem to not notice her... how can I fix this without getting another TV remote? And what about my SUNNY,TSUNAMI, GLORY unit problem? Should I get rid of the TV? GAH. HELP ME!

My Clay unit keeps trying to get my Glory unit and my Tsunami to get along, but they keep yelling at him, and he's getting sad... What should I do?

Dear WoF Units company,

I have successfully gotten my TSUNAMI and CLAY units in a relationship. Yesterday, my friend brought over her PERIL unit without my permission and gotten my CLAY unit in a triangle. I do not want my TSUNAMI unit to get herself destroyed by trying to fight my friend's PERIL unit. What do I do?

Sincerely,

Dawn

It's...

CLAY!!!

Okay I made this thing at like 2:00 AM while I was really tired, so I'm just now spotting everything I messed up on. XD I copy-and-paste a lot of stuff from the other units which is why it says SUNNY or STARFLIGHT instead of CLAY, or why I forgot to mention fire-proof scales. Oops...

Dear dragonheart1973,

The SCARLET unit is not well-liked by most units, so your CLAY unit's behavior towards her is completely normal. Your SCARLET unit may have insulted him, or tried to attack a GLORY unit.

Sincerely,
WoF Units Co.

==========

Dear icewings142,

A SUNNY unit may have given your CLAY unit an inspirational speech about how he should become a vegetarion. Wave a slice of bacon under his nose; it won't take long for him to give in.

Your PERIL unit most likely isn't sure about how to talk to your CLAY unit. If you want their relationship to improve, try locking your CLAY unit in the basement with your PERIL unit.

If your TURTLE unit is avoiding your CLAY unit, we kindly suggest talking to your units about their problems. Communication is everything.

Sincerily,
WoF Units Co.

==========

Dear spidersoul32,

Try giving your STARFLIGHT unit a computer to mess with--he's sure to find it far more interesting. As for your SUNNY, GLORY, and TSUNAMI units, try having your SUNNY unit become a secret rockstar. After her debut album hits the top of the charts, have herself dramatically reveal her true identity.

Sincerely,
WoF Units Co.

==========

Dear wolfdawn22,

Sit your CLAY unit down and talk to him about how his shipping problem has gone too far. Alternatively, you could help him set up your GLORY unit and TSUNAMI unit using elaborate psychological manipulation and slight blackmail.

Sincerely,
WoF Units Co.

Dear rubydragon1553,

Politely ask your friend to not bring her PERIL unit over again. Tell her that if she wants her PERIL unit to get together with a CLAY unit, we have recently set up a dating website for out units that will help her with her PERIL unit's perfect match! Once the PERIL unit is out of the picture, your CLAY and TSUNAMI units will be on their way to having a fully-functioning relationship again.

Sincerely,
WoF Units Co.
